

## Product Phase-out

PCN no.: P55-2023-002  
Date: 2023-05-03  
PCN Type: Information  
Subject: EGO Thermostats - Phase out of series 55.14  
Reference: Product Management Mechatronics - Kevin Grafmüller

---

### 1. Reasons for phase-out

Due to a lack of market demand during the last years, E.G.O. cannot maintain the production of the thermostat series 55.14 and announces the phase-out of this product series.

E.G.O. can offer a last time buy as mentioned in chapter 4.

### 2. Affected products

EGO Thermostat series 55.14

### 3. Affected material type numbers

Single-pole thermostats
<ul style="list-style-type: none"><li>• 55.140x</li><li>• 55.141x</li></ul>

### 4. Phase-out schedule

E.G.O. will terminate the production of these parts by 30 September 2023.  
In consideration of the delivery time, logistics supply chain and the production time, E.G.O. can accept last orders until 30 June 2023.

Currently open orders will be produced and delivered in 2023 as already planned.

### 5. Additional information

Unfortunately, E.G.O. cannot offer the affected types in the future anymore.  
If an alternative solution is needed, please contact E.G.O.'s Sales Responsible.
