

## Product Change Notice - Announcement

PCN no.:	P55-2023-001
Date:	2023-03-03
PCN Type:	Information
Subject:	EGO Thermostats – Relocation of production of thermostat series 55.13 from Germany to Croatia
Reference:	Product Management – Kevin Grafmüller

### 1. Change reasons / change item

The company group E.G.O. constantly pursues to follow up on the continuous improvement of its products and production processes.

In order to improve the production process and to increase the production capacity, E.G.O. decided to relocate the production of its thermostat series 55.13 from Germany to Croatia. This step is necessary to increase the flexibility in the thermostat production network and to improve the delivery performance towards E.G.O.'s customers. E.G.O. Elektro-komponente d.o.o. in Zagreb is already an approved production location for the thermostat series 55.13.

This change will not have any negative influence on reliability, functionality, or performance of E.G.O.'s products and does not affect lifetime or approval.

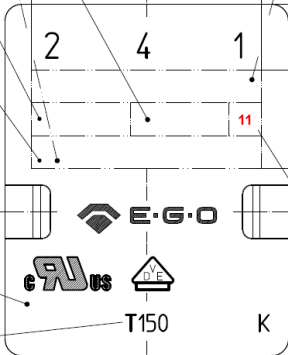

### 2. Affected products

EGO Thermostats - series 55.13

### 3. Affected material type numbers

• 55.13x	→ see attachment
• 56.13052.001	
• 56.13062.001	

### 4. Identification of change

<p>The production location can be identified by the code number 11 for Croatia in the product marking as shown in the picture.</p>	
--	--

**5. Change schedule**

The start of the implementation in E.G.O.'s production network is scheduled for April 2023.

**6. Additional information**

The material type numbers will not be changed.

A general sampling is not intended. If samples are needed, please send a sample order indicating the requested parts.

**7. Appendix**

See attachment: "PCN P55-2023-001\_List of affected types"
