

Item-No. 540405

Technical Data

connections	1/2" IT - 1/2" ET
diameter	DN13
length	15m
T. max	95°C

approval	FDA
type	rotary to one side

Product Information

- hose connections 1/2" internal, 1/2" external thread, length 15m, rotary to one side
- temperature resistant from -20°C to +95°C
- hose tube material: food safe, seamless synthetic rubber; grease resistant
- reinforcement: high strength synthetic fabrics
- hose cover material: food safe, seamless synthetic rubber; resistant to ozone, ageing and grease
- FDA-approved
- including hose guard
